

## **ROULETTE RULES:**

1. Verbal or cash bets are not accepted at any HCG-BRF gaming tables.
2. No person at a Roulette table shall be issued or permitted to bet with non-value chips that are identical to chips being used at the same table by another person.
3. Value chips wagers on the inside are limited to one player.
4. Value chips may be wagered by additional players on the outside (i.e. High/Low, black/red, even/odd, sections and columns).
5. The minimum and maximum wagers shall be conspicuously posted at each table.
6. Each player shall be responsible for the correct positioning of his or her wagers.
7. Once the dealer waves their hand over the layout and calls no more bets, no further bets will be accepted.
8. No bets shall be placed until the marker has been removed from the last winning number.
9. Non-value chips should be redeemed before leaving the roulette table.
10. Once the dealer has announced "No Spin" the ball will be removed and the spin considered invalid.
11. No personal items on the table.
12. Patrons are not permitted to lean on or touch the glass enclosure around the wheel head.
13. Management's decisions are final.
